I was too hasty. 9:30 – 10:30 out time wasn't within their free times. It looks like you have a meeting at 2:00. Is that fixed? I am looking at 1:30 to 2:30 now.  
Thanks!

Hi Valois – If needed I can make any of those times tomorrow work, but again would prefer after 8:30. And Friday still works.

Hello,

We have heard back from John Eddins, who provided these possible days to hold a call:

Wednesday and Friday of this week, till 4:30 eastern time, and Monday, Tuesday, and Wednesday of next week.

We are free Friday this week after 10:30 eastern time. How does Friday work for you all?

I am going to be out of the office Monday – Wednesday next week, but if we aren't able to have the call Friday, I will see what we can work out.

Thanks!

Please reply back to me as to whether you and/or Sarah are the appropriate contacts for EPA at ACHP and whether we could have a call in the next week or so.

Thanks very much!
